

JW MARRIOTT®
CUSCO

Magical Destination

JW MARRIOTT.
CUSCO

Designated a World Heritage site in the 1980s. Gateway to one of the World .Seven Modern Wonders and world-renowned mountain sanctuary "Machu Picchu".

Neighbor towns spread in the Sacred Valley of the Incas:

- “Pisac” – Home of the Inca Pisac ruins and three times a week souvenir market.
- “Maras” - Known for its nearby salt evaporation ponds, in use since Inca times.
- “Chinchero” – Famous Inca terraces, village remains, alpaca weaving center and Sunday artisan markets.
- “Ollantaytambo” - Rich in Incan buildings and the most common starting point for the three-day, four-night hike of the Inca Trail.
- One of the best trekking routes in the world: The Inca Trails with a spectacular network of pathways that snake their way among the snow covered mountains, rivers, and overwhelming countryside.

JW Marriott Cusco

JW MARRIOTT.
CUSCO

Situated at the gateway to the Andes mountain sanctuary Machu Picchu, at an elevation of 11,000 feet above sea level. The JW Cusco is the first Marriott property to have an in-room supplemental oxygen system to relieve altitude sickness.
